

Develop Business and Trade Opportunities with China

INVESTMENT PROMOTION – The U.S. Commercial Service is prepared to assist U.S. companies with market entry strategy into China. To create a successful business delegation or trip during the World Expo, our offices will be glad to coordinate and execute customized activities to maximize your visit. With enough lead time, we may help to facilitate local meetings and arrange events for your organization.

The following service can be tailored directly to your needs:

- *Entry Strategy Assessment – briefings by our Commercial Service Officers and Specialists*
- *Round-table seminar of industry leaders & professionals*
- *International Partner Search – find distributors or agents*
- *One-on-one meetings with Chinese business leaders (Gold Key meetings)*
- *Reception with invited Chinese officials and Key Industry Professionals*
- *Other _____*

For programming details, please contact Commercial Officer Andrew Billard (Andrew.Billard@mail.doc.gov) or Senior Commercial Specialist, (Deborah.Cooney@mail.doc.gov) or by phone at (86) 21 6279-7885.

*NOTE - These packages must be booked with a **minimum of eight weeks** lead time to guarantee quality of service and staffing availability.*
